 Poisoned apples. Glass slippers. Who needs 'em?! Not Snow White and her posse of disenchanted princesses in the hilarious hit musical that's anything but Grimm. Forget the princesses you think you know - the original storybook heroines have come back to life to set the record straight. After multiple sold-out runs nationwide, these royal renegades tossed off their tiaras to bring their hilariously subversive, not-for-the-kiddies musical to you - and what you thought about princesses will never be the same!
